DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The examiner and art unit in charge of this application has changed. Please address all future correspondence to Exr. Patricia Duffy, Art Unit 1645. Applicants petition is noted and is with the deciding officials.

The reply filed on 5-12-2010 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

The amendment to the claims filed 5-12-2010 by facimilie cannot be read by the examiner. In particular the formulas of claim 1, claim 2, claim 30, 32, 33, 63, 65 and 66 cannot be read. The substituents, subscripts, superscripts and bond structures are to small, rendering interpretation of the claims ambiguous as the structures are not clear.

Applicants are required to submit a readable copy of the claims in larger script such that the substituents, subscripts, superscripts and bond structures of the recited formulas are clearly visable and unambiguous.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
